

# Jr Graphic Designer

**Location:** Denver CO - Downtown

Real FiG Advertising + Marketing needs a Jr Graphic Designer! We need people who can take a concept and make it look beautiful, who have impeccable taste, who are looking to grow their skills in a fast-paced agency environment while learning from senior designers.

A successful candidate can work with a marketing team to come up with ideas, and can take them through execution. Responsible for clients' print advertising, collateral material, logo development and typography. Can you draw too? Big bonus. And you want to work at a fast growing company, with the opportunity to do website design, advertising design, branding, promotions, etc? Great! Get us your book and wow us.

## Essential Duties and Responsibilities

- Designs and produces art and copy layouts for material to be presented by visual communications media, such as books, magazines, newspapers, television, electronic media and packaging.
- Designs media in a wide variety of styles that correspond to the clients needs.
- Interacts with art and brand directors.
- Adheres to client budget and time constraints.
- Presents new ideas to members of the team.
- Monitors projects through all phases of production.
- Develops designs that are on strategy and reflect brand's personality.
- Must be open to feedback and willing to learn.

## Qualifications:

- Bachelor's or associates degree in design required.
- Experience with a creative firm or a marketing company is a big plus. Past internships count.
- Ability to press check preferred.
- Understanding of printing process, photography, illustration and typography preferred.
- Self-starter and highly-motivated.
- Proficiency in Adobe InDesign, Adobe Illustrator, PhotoShop, and Microsoft Office or OpenOffice.
- Open-minded and personable with innate conceptual design ability.
- Able and willing to listen, learn, and take direction well.
- Flexibility – able to work extra hours with little or no advance notification.
- Listens and applies constructive criticism in job execution and design.
- High attention to detail.
